COLOURS AND RHYTHMS OF MODERN ASIA

AMARI GALLE

Welcome to Galle: a world within a world

Nestled on the golden sandy crescent in the south coast of Sri Lanka, only 10 minutes away from the magnificent Galle Fort is Amari Galle, Sri Lanka's very first Amari hotel. The hotel is located along the main Colombo-Galle Road with a travel time of two and a half hours from Sri Lanka's international airport in Colombo.

AN OASIS OF COMFORT AND CLASS

Amari Galle's architecture and design is inspired by the natural beauty of the Galle coastline. A panoramic view of the ocean, the gentle sea breeze and the warm southern smiles of the Amari Galle team greet guests upon their arrival.

The essence of Galle is further captured through the hotel's beautifully appointed rooms and suites, all of which are fully equipped with modern amenities and private balconies overlooking the Indian Ocean. Each of the 172 guestrooms and suites features spacious and light-filled interiors that capture the tranquillity of the coastline. Amari Galle is also home to a 360 square-metre presidential suite; commanding a breathtaking view from the top floor, this two-bedroom suite includes a dining area, a living room and a balcony terrace with private plunge pool.
